

An Audience with Tony Benn

After he announced his retirement to spend more time with politics, much-loved parliamentarian Tony Benn brought his unmistakable presence to the stage in a sell-out Evening with event. His only props: a flask of tea, some rubbed tobacco, and his trademark pipe.... An Audience with Tony Benn is a mix of politics, opinion, and debate as the man himself explores issues of today spiced with memories of the past. He then fields questions from a live audience, answered with his usual mixture of insight, analysis, and piercing wit.
