

## Fight or Flee (Unbarred)

Do the crime, do the time behind bars. But once you've been in, it can be tough to stay out. When Hinton Helsing leaves the Youth Correctional Center, he's set on reforming his impulsive ways. But things at home have changed: his dad has been killed, his mom remarried his uncle, and his uncle is the new kingpin of the family gang that controls the town's drug trade. Threatened by Hinton's return, Hinton's uncle hatches a sinister plot using Hinton's girlfriend, Olivia, as a pawn. As Hinton struggles between the impulse to avenge his dad's death and the desire to seek a way out of that corrupt life, he embarks on a downward spiral of revenge and madness from which he and those he loves are unlikely to escape.
