

# Verbal Mastery Vocabulary System: Expand Your Vocabulary and Verbal Communications Skills

Expand your vocabulary and verbal acuity! Its a multi-session communications retreat in a box! And with Verbal Mastery, this eleven-part audio program, youll have unlimited access to the worlds top communication experts any time you want. Become a clever conversationalist and confident communicator, never at a loss for words in any social or work situation. From your choice of words to how to use them to work a room, the Verbal Mastery audio suite offers hours of techniques to increase your speaking power. Also included is a bonus PDF workbook with 750 vocabulary words, definitions and common usage. Finally, master the language of success and become a verbal superpower with George Walthers Power Talking: What You Say Is What You Get. The four-part verbal power system includes powerful and practical words selected from authoritative, respected sources such as the Wall Street Journal and New York Times. Included are 750 essential words you need to speak fearlessly, command more respect, gain credibility, write with greater clarity, reduce social awkwardness, and, most importantly, increase your earning potential.
