

The War and Democracy

Excerpt: ...and administratively in the hands of the Christians, is obviously an extremely dangerous one. Add to this the presence of a large hooligan section which is found in almost every Russian town of any size, the open disfavour shown towards the Jews by the Government, and the secret intrigues and incitement of the police, and you get a train of circumstances which lead inevitably to those violent anti-Semitic explosions, known as pogroms, which have stained the pages of modern Russian history. The revolutionary movement has complicated matters still further; for Jews are naturally to be found in the revolutionary ranks, and the bureaucracy and its hooligan supporters have tended to identify the Jewish race with the Revolutionary Party. Nothing can excuse the treatment of the Jews in Russia during the last thirty-five years, and the guilt lies almost entirely upon the Government, which, instead of leading the people and educating them by initiating an enlightened policy towards the Jews, a policy which might in fact have done more than anything else to Russify the latter, has persistently aided and abetted the worst elements of the population in their acts of violence. It has reaped its reward in the rise of one of the most formidable of the revolutionary parties in modern Russia, the so-called Jewish Bund. The Governor of Vilna, in a confidential report written in 1903, declared that this political movement is undoubtedly a result of the abnormal position of the Jews, legal and economic, which has been created by our legislation. A revision of the laws concerning the Jews is absolutely urgent, and every postponement of it is pregnant with the most dangerous consequences. Yet when we condemn Russia for her pogroms and her Jew-baitings, we must not forget two facts: first, that these occurrences are the work, not of the real Russian people, the peasantry which has been described above,

but of the dregs of the population which are to be found at the...
