

## Warriors: Power of Three #2: Dark River

Lionpaw, Hollypaw, and Jaypawgrandchildren of the Clan leader Firestar are thriving as the newest ThunderClan apprentices. Yet with their new responsibilities come new experiences, new power . . . and secret dangers. Lionpaw makes a friend and a discovery that must be kept hidden; Jaypaw learns a secret that could benefit ThunderClan only by bringing harm to others; and Hollypaw knows something that could avert a battle, if only she could convince the rest of her Clan. Prophecy looms, ominous forces threaten to tear them apart, and each young cat discovers darkness: in the past, in the Clans and in themselves.
