

Where My Wellies Take Me

Pippa loves staying with her Aunty Peggy. She loves going for walks, whether its sunshiny or cold - long, wandering walks where her wellies take her. Follow Pippa into the beautiful countryside as her day unfolds, and the wildlife, animals and people she encounters are complemented by relevant poems from some of our greatest authors, personally chosen by Clare and Michael Morpurgo. Part poetry anthology, part child's scrapbook, this is a truly lavish project designed to instil a love of language in young children.
