

Expert Witness Training: Profit from Your Expertise

Expert Witness Training is packed with practical details and instruction about becoming, being, and succeeding as an expert witness. It features more than one hundred specific tactics for use by the specialist retained by an attorney as an expert witness. This comprehensive training program incorporates thorough explanations of qualifications, opinion formation and expression, testifying skills, witness credibility, and jury persuasion. Written in confident tutorial form by an experienced expert and teacher, it includes the latest references and legal standards needed by a well-trained expert witness for admissibility of evidence and testimony, as well as Federal Rules of Evidence and Federal Rules of Civil Procedure, and Daubert challenges. This book covers issues of importance to every expert from the perspective of the witness, along with perceptive insight into the attorneys mindset. Attorneys wishing to learn what experienced expert witnesses know and think should have a copy and copies for each of their experts.
