

The Works of Theodore Roosevelt, Vol. 12 of 14 (Classic Reprint)

How dull it is to pause, to make an end, To
rust unburnish'd, not to shine in use! As tho
to breathe were life. Life piled on life Were
all too little, and of one to me Little
remains: but every hour is saved From that
eternal silence, something more, A bringer
of new things; and vile it were For some
three suns to store and hoard myself, And
this gray spirit yearning in desire To follow
knowledge like a sinking star. Beyond the
utmost bound of human thought. .. .M
ymariners, Souls that have toil'd, and
wrought, and thought with me That ever
with a frolic welcome took The thunder
and the sunshine, and opposed Free hearts,
free foreheads you and I are old; Old age
hath yet his honor and his toil; Death closes
all: but something ere the end. Some work
of noble note, may yet be done, Push off,
and sitting well in order smite The
sounding furrows; for my purpose holds To
sail beyond the sunset, and the baths Of all
the western stars, until I die. Tennyson's
Ulysses. Ja! diesem Sinne bin ich ganz
ergeben, Dass ist der Weisheit letzter
Schluss; Nur der verdient sich Freiheit wie
das Leben, Der taglich sie erobern muss.
Und so verbringt, umrungen von Gefahr,
Hier Kindheit, Mann und Greis sein tuchtig
Jahr. Solch ein Gewimmel mocht ich sehn,
A uf freiem Grund mit freiem Volke stehn.
Goethe's Faust. Executive Mansion, A
