

World War I and the Roaring Twenties 1914-1928 (Discovering U.S. History)

Discovering U.S. History spans the complex and varied history of the United States from prehistoric times to the present day. This new chronological set can be read as a whole, providing readers with a comprehensive history, or as standalone volumes, with each title serving as a time capsule of a particular era. Each title brings to life the people and events that have shaped the nation through a clear and entertaining narrative, interesting boxed insets, and lively full-color and black-and-white photographs and illustrations. Students will find these books valuable for reports, prime supplements to textbooks, or simply interesting reading.
