

Young Hercules #1 (Vol 1)

Young Hercules is a fledgling warrior armed with staggering strength and boundless ambition -- and as the son of Zeus, king of the gods, he's got the genes to back it all up! In order to hone his skills as a fearless warrior hero, young Hercules trains and studies with his friends Jason and Iolaus at the academy of the wise centaur Cheiron. But Hercules already has a vengeful enemy who will stop at nothing to destroy him -- his half-brother Ares, the ruthless god of war. With Ares' deadly trap awaiting, what will become of this budding young warrior?
