

## Cosmic Multiverse: Zach Jonesmay Discovers the Parallel Universe (MDurazo Series 1 Book 1)

Come and read about the fascinating topics of Science and Cosmology with this new and wildly exciting scientific novel. After a terrible and devastating 9.5 magnitude earthquake hits the Western coast of California, Zach Jonesmay discovers entry into a parallel universe that takes him to worlds unknown. He meets Netraman, Shaheera and Alluvian who help him grasp the significance of the multiverse itself and the universe in which he lives. Along the way, Zach discovers the love he already had for Science, Cosmology and Astronomy. He learns the reasons that have made the human race yearn for more knowledge and discovery. This science fiction novel is full of life, excitement and discovery. Zach and his new friends will travel to all corners of our known universe and venture into other universes in an attempt to balance the power and structures that hold everything together and will discover the secrets that have eluded humans for millennia. Relax and enjoy this wildly exciting science fiction thriller.
