

## Zuckerman Unbound

Now in his mid-thirties, Nathan Zuckerman, a would-be recluse despite his newfound fame as a bestselling author, ventures onto the streets of Manhattan in the final year of the turbulent sixties. Not only is he assumed by his fans to be his own fictional satyr, Gilbert Carnovsky, but he also finds himself the target of admonishers, advisers, and literary critics. The recent murders of Robert Kennedy and Martin Luther King, Jr., lead an unsettled Zuckerman to wonder if target may be more than a figure of speech. In Zuckerman Unbound - the second volume of the trilogy and epilogue Zuckerman Bound - the notorious novelist retreats from his oldest friends, breaks his marriage to a virtuous woman, and damages, perhaps irreparably, his affectionate connection to his younger brother...and all because of his great good fortune.
